Meals on Wheels (Sudbury) would love to have you join us at **Sudburys' Finest wine & culinary showcase** where we hold true to our motto "Good Food Heals, Good Friends Help"

As promised at our 12<sup>th</sup> Annual International Passport – 'Fine Food and Wine' event in November 2009, Meals On Wheels (Sudbury) and our "Good Friends" Marc and Nancy-Jo of Ripe Restaurant & Dessert Bar along with Lynn Boeswald of Applecart Collectables are changing things up!

It is our pleasure to invite you to join 70 of your closest friends and neighbours for an intimate evening of fine food and wine in support of Meal Programming in the City of Greater Sudbury. Let Marc and Nancy-Jo Grottoli treat you to some of the finest food in our city served by the extraordinary staff of Ripe Restaurant & Dessert Bar while you enjoy the newly renovated space.

This exclusive event will be hosted on **SUNDAY APRIL 25, 2010**. Highlights of the evening will include an amazing food and wine pairing created by Marc for this event only. It is our pleasure to include a copy of the Menu to provide you an opportunity to wet your appetite and prepare for a great evening with your friends and neighbours.

Feel the pleasure of giving back to your community while enjoying a fun evening including great silent auction items and fine wines from preeminent Ontario wineries. Tickets are \$100 per guest along with a Charitable Receipt for \$50.
